These experiences have allowed me to develop various skills :

- Impeccable presentation
- Customer reception and listening
- Efficiency management
- Patience

On a practical aspect :

- Cash register handling
- Team work

Digital marketing : Imprévu - fashion clothes brand

October 2023 to December 2023

E-commerce : work-study internship : Gallery Buronzu - art

February 2025 to July 2025

- Management and optimization of online presence on social media.
- Development of targeted communication strategies to increase engagement and visibility.
- Performance analysis and campaign adjustments based on results. (SEO, Google Ads, Facebook Ads, Google Analytics)
- Creation of visual and written content tailored to different platforms. (Canva, CapCut, Photoshop)

Language stay

Canada - Education First

April 2023 to July 2023 (4 months)

- Very good level of English
- Sociability and open-mindedness

UI/UX DESIGN : stage chez Toyota Europe

Marketing & Customer Experience (English workspace)

Language courses and online training

E-commerce Course - IFAPME (January-June)

Learning Spanish Online Digital Marketing and

UX Design Training

September 2023 to present

- Awakening of my curiosity and thirst for learning
- Autonomy
